Email Notifications

New Email Address

- A) If this is your first time signing up for an email notification, enter your email into the "New Email Address" field.
- B) Click "Verify your email address".
- C) An email has been sent to your email address with a verification code. Enter it into the "Enter Verification Code" field. Click "Verify & Create Notification". Your notification has been saved. If you entered the wrong email address, click "Change".

Existing Email Address

If you have already signed up for an email address, you may select it in the "Existing Email Address" select box. Click "Save Notification". Your notification has been saved.

You may add another email address by checking the "Use a New Email Address?" check box.

Text Notifications

New Phone Number

- A) If this is your first time signing up for a text notification, enter your phone number into the "New Phone Number" field.
- B) Click "Verify your phone number".
- C) A text message has been sent to your phone number with a verification code. Enter it into the "Enter Verification Code" field. Click "Verify & Create Notification". Your notification has been saved. If you entered the wrong phone number, click "Change".

Existing Phone Number

If you have already signed up for a phone number, you may select it in the "Existing Phone Number" select box. Click "Save Notification". Your notification has been saved.

You may add another phone number by checking the "Use a New Phone Number?" check box.
