

## ***QBY-XC: “The trials of miles; the miles of trials.”***

Greetings Cross Country Coaches:

June 1, 2021

We are pleased to announce that Queensbury High School will be holding the **17th Annual Queensbury-Adirondack Cross Country Classic Invitational** on **Saturday, September 18, 2021**. Our mission is to organize and host a championship quality meet, which will hopefully attract some of the top teams from New York and bordering states. This will be the same course that was run for the 2005 and 2013 New York State Cross Country Championships. The races will be held at the Queensbury School campus on our mixed-surface 5,000m, 1,800m and 1,500m courses. The course will be run entirely on grass and trail surfaces and this is a true “spike” course. The course starts with an open field of 400 meters from the start line to the opening of the trail system. There are no road crossings and the trails are wide and smooth with packed dirt, and mulch finished hills. The course will offer 555 meters of open field from the exit of the trails to the finish line. The course is rolling and fast with 2 challenging hills located at mile 1 and mile 2. This is also spectator friendly, and will offer participants and spectators alike, a running festival atmosphere with entertainment, public address, food and music! ***\*NOTE: The operational conditions for the QBY-ADK XC Invy will be dictated by the NYS Department of Health’s Guidance for Sports and Recreation pertinent to the status of the COVID Pandemic at the time of our race event.***

The results will be available within :15 minutes of the conclusion of each race. Team awards will be picked up at the “Results Tent” and copies of all results will be offered immediately after awards are posted. Individual awards will be handed out at the end of the chute ***[Medals (Top #25); Ribbons (Places #26-#75) in each race, Modified through Varsity]***.

We look forward to seeing you and your team and hope you will consider attending our event. Make plans now to enter. The enclosed **Registration Form** is due by **Friday, September 10<sup>th</sup>**! We will be using *MileSplit NY* to register for the meet.
